

Boy Scout Troop 15

Troop 15 is the oldest Boy Scout Troop in Merrimack. In 2007 we celebrated our 50th anniversary!

Troop 15 is sponsored by Saint John Neumann Church, 708 Milford Road, Merrimack, NH, 03054.

Troop 15 is proud of the boys and young men that are or have been members of our troop over the years. While enjoying the great outdoors, or discovering new interests through merit badge studies and outdoor activities, our Scouts develop from wild and crazy boys to mature, responsible, self sufficient (O.K., and wild and crazy) young men ☺ In many cases these young men go on to become Eagle Scouts, a highly coveted and respected achievement within the troop, in Boy Scouts and in their lives. Troop 15 has over 40 Eagle Scouts and several young men continuing on that path.

Troop 15 has a wonderful mix of Scouts that have wide ranging backgrounds and interests. They range from 5th grade to seniors in high school. Several of our young men play high school and recreational sports, are involved with the school band, environmental teams, first robotics, karate, peer intervention, hold various leadership positions at school or in the scouting program. Many are snowboarders, skate boarders, adventurers (rock climbing, backpacking, white water rafting, canoeing, ice climbing, mountain biking) and the list goes on. Many have a close tie to their religious affiliation and are involved in religious education studies and activities in their religious community.

Troop 15 realizes that our youth have a lot going on in their lives and believes that involvement in outside activities contributes to the well rounding of a young man growing up. While we encourage full participation, we understand flexibility is important. Our meeting and outing format can be found on our troop calendar located on our website. We are a very active troop so there are many activities, camp outs and adventures to choose from!
